Dear Mr. Lolitha Abeysinghe,

Re: EXCLUSIVE MANDATE TO REPRESENT QINGDAO SEAWIN BIOTECH GROUP IN SRI LANKA

FOR IMPORTATION OR ORGANIC FERTILIZER AND NATURAL MINERALS

We are pleased to appoint Chelinaa Capital Corporation (Pvt) Ltd and its nominees as the exclusive mandate holder for the Importation of Organic Fertilizer and Natural Minerals for Paddy Cultivation for the "Maha" Season 2021/2022 (Contract No. SMOF/ORPF/2021/1) for Qingdao Seawin Biotech Group.

Qingdao Seawin Biotech Group Co., Ltd. (hereinafter referred to as Seawin Biotech), formerly known as China Ocean University Organism Project Development Co., Ltd) was founded on August 18, 2000. It is an enterprise focusing on the development and utilization of marine biological resources and its R & D, production and sales of corresponding products. The registered capital is 132 million Yuan. The company has been focusing on the development and utilization of marine biological resources, providing high-quality products and services for human health for long terms.

This mandate gives the recipient of this letter and the dedicated member of this organization authority to negotiate liaise and engage with the Sri Lankan Government and private entities who might be interested in working towards the success of any projects that can be taken forward with Qingdao Seawin Biotech Group. Thereby your cooperation with Chelinaa Capital Corporation (Pvt) Ltd would be greatly appreciated in enabling us to achieve the envisioned goal.

Yours faithfully,

[Signatory]
